## **5. SPORT RULES AND REGULATIONS**

### **5.1 Conduct of Competition**

Inter-school sport in Ballarat should be pursued in such a way that competitors accept that while it is expected that they will strive for victory, the long-term purpose of the game is to establish and foster comradeship. Members of the home side should always remember that they are the hosts so that before, during and after the game, the welfare of the visitors is promoted.

The following basic principles have been accepted in Ballarat school competitions for some years:

1. No team should withdraw from a fixture without giving adequate prior warning of its inability to compete. Likewise, it is discourteous to take part in a match without a full team and the necessary officials.
2. If a student has accepted an invitation to play for the school, it imposes an obligation on him/her to put that fixture before any other commitment. Further, the team members must then be prepared to observe the principles of good sportsmanship.
3. The umpires have complete control of the game and deserve the support of all players, coaches and spectators, all of whom should make it their business to know and understand the rules of the game. Umpires often face difficult decisions; it is not the place of students or parents to dispute these decisions. Umpires are asked to report to the coach any student who loses his temper or indulges in unacceptable behaviour or foul play. While umpires do have the right to send a player from the field, it is always hoped that such situations will not arise.
4. Spectators, whether students or adults, will naturally be strongly partisan in their support. However, verbal abuse of umpires and the use of audible disparaging remarks about those on the field are not acceptable forms of behaviour.
5. Possibly the coaches hold the key to a proper approach to sport. They should always remember that they are dealing with children who are learning how to play a game. Hence their influence is of paramount importance if games are to be played in the correct spirit. Encouragement of weaker performers is highly desirable as every child should be made to feel an important part of a team.

## 5.2 Code of Ethics

- In addition to the guidelines outlined in the Association Handbook, players, coaches and spectators will be expected to observe the following send-off rule:

Competitors and spectators will be removed from the competition for the following reasons:

- (a) Striking or unduly rough play.
- (b) Poor language/abusive behaviour being directed towards members of the opposition, umpires, any other officials or team mates.
- (c) Continual disputing of umpiring decisions. Players will be given one warning and if they infringe a second time they will be sent off. Seeking clarification of umpiring decisions should only be done by the coach or team captain in a calm and sensible manner.
- (d) In games such as Hockey, which have rules relating to suspending players for infringement of rules, it must be left to the judgement of the umpire whether the offence is serious to warrant a red card, ("send off" permanent suspension) or only a temporary suspension.

**NB:** The umpire or teacher representative from each of the participating schools will be responsible for enforcing this rule.

- Decisions on whether a student should be permitted to play BAS sport will be made on a case by case basis by the school concerned, but generally suspensions or penalties imposed by external organisations (e.g. community / club sport) shall NOT be carried over to school sport and participation in BAS.
- Each school must make a commitment to re-schedule matches that have been unable to be played.
- If there is a disagreement between schools in a washout decision the Executive Officer needs to be consulted for the final decision.
- If a washout or forfeit is to occur then schools must be notified by at least 1.30pm on the scheduled day of the match. If a school fails to notify then it will be expected to cover the costs involved in the match for the other school and the Association.

## 5.3 Child Safe Standards

### 5.3.1 Statement of Commitment

Ballarat Associated Schools Incorporated (BAS) is committed to the safety and wellbeing of all children and young people. Rescheduling of matches must be completed with joint agreement. If a suitable rematch time cannot be found the original rostered time shall stand. If one team is unable to play the designated fixture, they will forfeit the match.

In the event of cancellation due to weather, the BAS Executive Officer will determine the allocation of points.

In the event of a wash-out of a round, teams allocated a bye would stand on four points prior to the round being declared washed-out. If any team forfeits, then the winning team would be awarded four points. If wash-out occurs, then teams receive equal points of two points each.

**Schools are required to confirm their team entries by Wednesday in the first week of each term, if not before, to assist in the timely production of fixtures.**

### **5.11 Scoring**

Unless otherwise stated: -

Win	4 points
Draw	2 points
Loss	1 point
Bye	4 points
Forfeit	0 points (score as stated for specific sports)

Where an uneven number of byes occur in a competition the 2<sup>nd</sup> bye shall be treated in the same manner as a forfeit, receiving the same score and points.

Where 2 teams finish on equal points at the end of preliminary rounds the results of the matches between these teams shall be used to determine final positions. For Junior and Intermediate competitions, if the results of matches between the two teams is still equal a joint premiership shall be awarded.

When 3 or more teams finish on equal points percentage; **points / goals for** divided by **points goals against x 100**, shall be determined using the scores for and against for the matches between these teams.

When final ladder positions are required for the purpose of a playoff and teams cannot be separated by the methods stated above a playoff will determine the final ladder positions

### **5.12 Mercy Rule**

All Coaches in BAS competition will do their utmost to ensure that all games are a fair and even contest. The suggested mechanisms needed to achieve this will be decided on and used at the discretion of the participating coaches, who on reaching agreement on the standard of the game, will then implement measures to attain the desired outcome.

Coaches can provide an even and fair competition by endeavouring to ensure that opposing players are matched evenly. Another way is to rotate players during the course of the game. At no time are players to make this process demeaning or patronising to their opposition.

The Executive Officer and Heads of Sport shall have the right to monitor all games and approach a Coach or Supervising Staff Member and remind them of their responsibility to abide by the "Mercy" Rule in the best interest, and spirit, of the competition.

The Executive Officer will monitor final scores at the end of each round and check if a problem exists. If it does, they will speak to the relevant Head of Sport and recommend appropriate action to address the problem. If the problem is not addressed the Executive Officer has the power to apply reasonable and appropriate penalties. Overall percentages are not used to determine final ladder positions, only the percentage from matches between the tied teams.

Mercy Rules shall be applied to Junior and Intermediate competition. See specific recommendations under relevant sport sections.

### **5.13 Late Starts**

The BAS requests that where a team is late for a game, 15 minutes lee-way be given where possible in starting games. After that time, the rules of the particular sport in relation to late starts apply.

## 5.14 Disputes

The handling of disputes is ultimately the responsibility of BAS Heads / Principals. All disputes or claims arising out of any contravention of any Regulations governing sporting contests between BAS schools, or charges against individual players, teams or school officials, shall in the first instance be referred to the Head of Sport of the respective school who may choose to follow up the matter with the appropriate Head of Sport in conjunction of the BAS Executive Officer.

If the matter is not resolved it shall be referred to the Head / Principals of the schools concerned or, if required the BAS Inc. Chair for consideration and adjudication. Any recommendations shall be transmitted to the Chair of Heads for consideration through the Executive Officer.

## 5.16 Finals

In all SENIOR competitions, a Grand Final will be played between the top two teams on the ladder at the end of preliminary rounds.

In INTERMEDIATE and JUNIOR competitions, the team that finishes on top of the ladder at the end of preliminary rounds shall be awarded the premiership.

## 5.17 Grand Final Venue

Unless otherwise stated the Grand Final will be played at the home venue of the higher placed team, if it is deemed to be an appropriate and safe venue. The safety and appropriateness of the venue is to be determined by the Executive Officer of BAS and the Chairperson if there is any dispute.

Where a season has been conducted in its entirety at a single venue then the Grand Final will be conducted at that venue unless stated otherwise in the competition fixture or by negotiation between the participating schools.

## 5.18 Abandoned Games Procedures

*These procedures are to apply to all grades of BAS sport, unless otherwise specified for an individual sport.*

- Where an independent umpire in charge of a fixture determines that the game is no longer able to proceed due to risk to the safety of the players or inappropriate behaviour of both teams, then the game is classed as abandoned and points shall be shared between the two competing schools. In such a situation the umpire will be asked to submit a written report to the Executive Officer of BAS.
- If in the opinion of one (or both) of the school-appointed coaches the match is proceeding in a manner that is inappropriate for the safety of the students involved or the spirit of BAS competition, OR the match cannot continue due to the constraints of the venue availability, the coach will approach the opposing coach to raise the concern.

The following options are then available to the coaches:

- (i) Agreement on the issue of concern.
  - ~ Match stopped immediately. Umpire approached and informed of the concerns. Players to be made aware of the need for a change in behaviour by each coach to his individual team. Play recommenced with a review between coaches to occur at the next scheduled break.
  - ~ Stop the match immediately, with the game to be classed as an abandoned game, no points awarded to either team.
  - ~ Continue the match with a review of the issues at the next scheduled break in play.
- (ii) If there is no agreement between coaches on the issue of concern, one coach has the option of withdrawing his team from the match if he feels that there is a risk to their safety. If this occurs points will not be awarded for the match until the following procedure is applied:

Written reports including time of abandonment, score, conditions etc. submitted to the BAS Executive Officer by the coaches of each team, the umpire and staff who were witnesses at the match.

**The outcome for the match would be at the discretion of the Principals of the two competing schools, taking in all the individual and specific circumstances.**

## **5.19 Protocol for inclusion / exclusion of 'core' sports**

Suggestions for a sport to achieve 'core sport' status in the BAS competition:

1. BAS will support the trial introduction of a 'new' sport, if the sport is; to be administered by an external body, including the provision of administrators, officials, playing venues and required equipment; the sport does not exceed the acceptable running costs of other BAS sports; more than 3 BAS schools enter teams in the trial season.
2. Until the sport becomes a Premiership Sport non-BAS schools can be invited to enter the competition and participate at any level once approval is attained. (There will need to be a recommended cut off point with 'invited' schools for the sport. Delegates/Sport Coordinators and finally Heads will need to endorse which non-BAS schools are invited.)
3. Three or more schools (50 to 75/%) need to have participated in the same competition for a sustained period of two consecutive seasons before it achieves 'core sport' status and is recognised as a BAS Premiership Sport.
4. Once 'core sport' status is achieved, if the number of competing BAS schools drops to 3 schools or less, for 2 consecutive years' then the sport loses its core sport status and will not be recognised as a Premiership Sport or be administered by BAS.
5. If the number of competing BAS schools drops to 3 schools or less in any division of a core sport, for 2 consecutive years' it is recommended that a different night or format be trialled the following year. If entries are still 3 schools or less, then that division will no longer run and provision will be made for other divisions to include the students no longer provided for, E.g. Junior, Senior Open.
