

26. PREMIERSHIP TROPHY / SHIELD POLICY

This policy applies to all trophies and cups that are competed for within BAS Inc. competitions.

A trophy is the responsibility of the school that is listed as winning it within the BAS Inc. Handbook or the association records for that current year.

The repair of any damage or replacement of a lost trophy is the responsibility of the school listed as the trophy holder.

Trophies are not to be left in the care of students. The school remains responsible for any damage or loss that occurs whilst a student has a trophy.

All trophies are to be present for presentation at the next final of the relevant competition. They are expected to be presented in a clean state with all engraving up-to-date.

In the case of a trophy having no space remaining for engraving, approval for an upgrade of the trophy must occur at the next meeting of the association.

If a BAS Heads of Sport meeting determines that a trophy is completely full and it is not possible or feasible to upgrade the trophy to a satisfactory standard then the trophy being replaced will remain at the school that has won it on the most occasions. The new trophy that is struck will indicate the location of the previous trophy for that competition.

When a trophy is full and is replaced the original trophy will remain on display at the school which won it the most during its lifespan.

27. POLICY: NAMING RIGHTS

27.1 Introduction

The Naming Rights Policy will operate to ensure that the reputation and integrity of the Ballarat Associated Schools (BAS) and its member schools are maintained and that a fair and equitable process is both perceived and recognised as being in place by stakeholders within the College. The Naming Rights Policy will be managed by the Principals within the Association in line with the mission of BAS.

27.2 Policy

BAS will ensure that equipment, awards, prizes and other assets are named in a manner consistent with the mission, objectives, history and traditions of the Association.

27.3 Policy Guidelines – Naming in Perpetuity

Awards

- Awards should be named as a consequence of a recommendation from a Principal of a member school of BAS.
- These awards should be named to highlight outstanding service, achievement and support for:
 - i) History and operation of the Association
 - ii) Achievement within a sport actively played by BAS
- The Association will consider applications to have sporting awards named after individuals who have demonstrated a significant commitment or have achieved a high level of success within a field. For example the Moneghetti Award for Athletics.
- Such awards need to be made in perpetuity. This should be reflected within a Naming Rights Agreement to be developed between the parties to ensure consistency and to ensure an individual or family agrees to have an award named in their honour. If funds are being given to cover the cost of the award there needs to be sufficient funds to ensure the award can be give in perpetuity.

27.4 Naming Rights – Recognising Donors / Commercial Arrangements

- Where the attribution of naming rights is linked to a donation/sponsorship agreement, naming rights will only be negotiated for a set period of time (minimum five years), after which time awards may be renamed or the sponsorship renegotiated with the original benefactor.
- Names of benefactors will be recognised as part of the award – a trophy inscription, for example. Use of corporate logos will not be permitted as part of an award inscription however can be recognised on any certificate that accompanies an award or trophy.

- Naming Rights agreements are to be negotiated with organisations, families or individuals whose public image, products or services are consistent with the ethos of the Association as reflected in its Mission Statement.
