**PROCEDURE to be adopted should the Athletics carnival be interrupted by rain after it had commenced.**

Where the weather is considered bad enough to abandon the program, the decision will be made by a majority of the BAS Inc. Heads whose schools are participating in the carnival and who can be quickly and easily be contacted. Where a decision is made to abandon the program due to poor weather conditions, it was decided that:

- (a) If a relief day is still available then the program will be stopped and then restarted at the same point on the reserve day.
- (b) If no reserve day is available and more than 50% of events have been decided then the result will be based on placings at the end of events completed at the time of abandonment of the program

If no reserve day is available and less than 50% of events have been completed then no result will be declared for the carnival for that year.

**NB:** Any records set in events completed, will stand as BAS records.
