

1. GOLF

1.1 Senior Golf

Senior Golf will be played on Wednesday afternoons in Term 1 at Midlands Golf Course commencing at 4pm.

Teams will consist of 4 players unless otherwise negotiated between the staff members present. Teams can be mixed.

Girls will hit off red markers however the male score card will be used for competition purposes. (Boys to play off white markers).

The format for the competition will be two by two person match play Ambrose. Schools will tee off in a group of four players – (ie. BG v MCC) with games being contested over a maximum of seven holes or until 5.15 pm. Players should complete a hole if they tee off before 5.15 pm, however they should walk quickly to the club house as soon as the hole is completed. Competition will be a scratch competition played to the following rules:

- Teams of four players.
- All four players from each team tee-off from the nominated tees and start at hole as directed by event manager.
- The best positioned ball is then marked and played by the owner.
- Other players place their ball if on fairway or drop ball if off fairway within one club length of selected ball, no nearer the hole
- Repeat procedure until reaching the green
- When on the green, place marker beside chosen ball
- Players then putt in any order, repeating procedure until holing out
- Balls are to be placed on the green at the marked spot
- A minimum of one tee shots must be used by each player in the group (initials to be marked on card where each group member uses his tee shots)
- Scoring system is match play – eg – BCC 4 strokes defeats BHS 5 strokes on hole 1. Therefore BCC are 1 up after one hole.
- Matches will be completed when a result is obtained – for example DC defeated BGS 4 and 3 (by winning holes 1 to 4). Play concludes at this point and players should return immediately to the club house. Schools can then send players out on the course for additional practice subject to teacher's discretion.
- Cards must be clearly labelled and signed by Team Captains at the end of play. Cards are to be placed in the BAS results box at the clubhouse at the conclusion of play. Results not received by Tuesday at 5pm shall result in no points be awarded for that match.

Schools will be permitted to enter up to two teams and will be required to provide one official per team to provide rule interpretations and encouragement to players to compete in a manner consistent with the traditions and spirit of golf. Each team will nominate a team Captain who shall be responsible for signing the score card. Failure to sign a card or signing an incorrect card will result in disqualification and the loss of the match.

At the conclusion of the scheduled rounds the winner of the junior section will be determined according to ladder positions determined using the following ladder format

—

- 4 points for a team win (if team wins 3 matches = 12 points)
- 2 points for a tied team result
- 1 point for a loss
- Teams on the same number of points would be differentiated by percentage to be calculated from weekly scores.
- In the event that teams cannot be separated on the basis of ladder points after scheduled rounds, percentage will be used to determine the premier School. If teams cannot be separated based upon individual matches won, joint premiers will be declared.

Practice Round

The first week of play will be reserved for a practice round. Schools will play on their own from alternate tee's as directed by the event manager and staff should use this as an opportunity to confirm the rules of competition and proper golf etiquette.
