A structured competition will be defined as having at least three member schools represented. Ideally each member school will be represented in all BAS competitions for which they are eligible.

The number of teams entered into each competition will be limited by the constraints of facilities, officials, supervision and funding.

2. STRUCTURE OF ASSOCIATION

2.1 Member Schools

2.2 Associate Members

A school could become an affiliated member of BAS and pay \$1,055 (2024) per team entry up to 6 teams in one year. Fees shall increase by CPI annually. If more than 6 teams are entered the school would be required to become a full member paying the full yearly subscription and adhering to membership requirements e.g. attending BAS Inc. meetings. Rowing will be considered as 1 team and invoiced separately based on the yearly subscription. Individual MOUs will be drafted for affiliated members to encompass this information.

5. SPORT RULES AND REGULATIONS

5.1 Conduct of Competition

Inter-school sport in Ballarat should be pursued in such a way that competitors accept that while it is expected that they will strive for victory, the long-term purpose of the game is to establish and foster comradeship. Members of the home side should always remember that they are the hosts so that before, during and after the game, the welfare of the visitors is promoted.

The following basic principles have been accepted in Ballarat school competitions for some years:

1. No team should withdraw from a fixture without giving adequate prior warning of its inability to compete. Likewise, it is discourteous to take part in a match without a full team and the necessary officials.
2. If a student has accepted an invitation to play for the school, it imposes an obligation on him/her to put that fixture before any other commitment. Further, the team members must then be prepared to observe the principles of good sportsmanship.
3. The umpires have complete control of the game and deserve the support of all players, coaches and spectators, all of whom should make it their business to know and understand the rules of the game. Umpires often face difficult decisions; it is not the place of students or parents to dispute these decisions. Umpires are asked to report to the coach any student who loses his temper or indulges in unacceptable behaviour or foul play. While umpires do have the right to send a player from the field, it is always hoped that such situations will not arise.
4. Spectators, whether students or adults, will naturally be strongly partisan in their support. However, verbal abuse of umpires and the use of audible disparaging remarks about those on the field are not acceptable forms of behaviour.
5. Possibly the coaches hold the key to a proper approach to sport. They should always remember that they are dealing with children who are learning how to play a game. Hence their influence is of paramount importance if games are to be played in the correct spirit. Encouragement of weaker performers is highly desirable as every child should be made to feel an important part of a team.

5.2 Code of Ethics

- In addition to the guidelines outlined in the Association Handbook, players, coaches and spectators will be expected to observe the following send-off rule:

Competitors and spectators will be removed from the competition for the following reasons:

- (a) Striking or unduly rough play.
- (b) Poor language/abusive behaviour being directed towards members of the opposition, umpires, any other officials or team mates.
- (c) Continual disputing of umpiring decisions. Players will be given one warning and if they infringe a second time they will be sent off. Seeking clarification of umpiring decisions should only be done by the coach or team captain in a calm and sensible manner.
- (d) In games such as Hockey, which have rules relating to suspending players for infringement of rules, it must be left to the judgement of the umpire whether the offence is serious to warrant a red card, ("send off" permanent suspension) or only a temporary suspension.

NB: The umpire or teacher representative from each of the participating schools will be responsible for enforcing this rule.

- Decisions on whether a student should be permitted to play BAS sport will be made on a case by case basis by the school concerned, but generally suspensions or penalties imposed by external organisations (e.g. community / club sport) shall NOT be carried over to school sport and participation in BAS.
- Each school must make a commitment to re-schedule matches that have been unable to be played.
- If there is a disagreement between schools in a washout decision the Executive Officer needs to be consulted for the final decision.
- If a washout or forfeit is to occur then schools must be notified by at least 1.30pm on the scheduled day of the match. If a school fails to notify then it will be expected to cover the costs involved in the match for the other school and the Association.

5.3 Child Safe Standards

5.3.1 Statement of Commitment

Ballarat Associated Schools Incorporated (BAS) is committed to the safety and wellbeing of all children and young people. All children participating at and involved in BAS events have the right to feel safe and be safe. The wellbeing of our children and young people will be the primary focus of our care and decision-making.

BAS has zero tolerance for child abuse.

BAS is committed to providing a child safe environment where children and young people are free to enjoy life to the full without any concern for their safety, feel empowered and their voices are heard about decisions that affect their lives. Our policies, procedures, strategies and practices in relation to children and young people will be inclusive to the needs of all students including Aboriginal and Torres Strait Islander students, students from culturally and/or linguistically diverse backgrounds, students with disabilities, students who are vulnerable, LGBTQI+ students and international students.

Every person involved with BAS has a responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

It is the responsibility of all member schools to ensure they are compliant with Ministerial Order 1359 – Implementing the Child Safe Standards – Managing the risk of child abuse in schools and school boarding premises, and further that they have implemented robust policies and procedures for their workers, students and the broader community.

In its planning, decision-making and operations BAS will:

1. Provide children and young people with positive and nurturing experiences and take a preventative, proactive and participatory approach to child safety;
2. Value and empower children and young people to participate in decisions which affect their lives;
3. Foster a culture of openness that supports all persons to safely disclose risks of harm to children and young people;
4. Respect diversity in cultures and child rearing practices while keeping the safety of all children and young people paramount;
5. Provide written guidance on appropriate conduct and behaviour towards children and young people;
6. Engage only the most suitable people to work with children and have high quality staff and volunteer supervision and professional development;
7. Ensure children and young people know who to talk with if they are worried or are feeling unsafe,
8. and that they are comfortable and encouraged to raise such issues;
9. Report suspected abuse, neglect or mistreatment promptly to the appropriate authorities;
10. Share information appropriately and lawfully with other organisations where the safety and wellbeing of children is at risk;
11. Value the input of and communicate honestly and openly with families and carers. The views of staff, contractors, officials, children, young people and families are taken seriously and their concerns are addressed in a just and timely manner; and
12. Systematically and continually identify and assess risks to child safety and will eliminate, where possible, or reduce all potential sources of harm.

5.3.4 Complaints and Grievances

BAS is committed to providing a safe and supportive environment. From time to time, students and parents can feel aggrieved about something that is happening within our Association that they believe requires attention, further investigation or change in procedures or a resolution.

5.5 Supervision

A staff member from each school is required to accompany each team as supervisor, unless teams are on adjacent courts. Adequate and active supervision must be provided.

5.6 Uniforms

Players are expected to wear uniform appropriate to the school and sport when participating in BAS competition.

5.7 First Aid Provision

It is the responsibility of each school to ensure all teams are accompanied by appropriately trained staff and have been provided with adequate first aid equipment to cater for the sport that teams are involved in.

All schools are expected to provide:

- Mobile phones or other means of communication.
- First Aid Kit including supplies relevant to the activity.
- Emergency contact details and health information for their own students.

At all times, staff in charge of teams are to ensure that the health and safety of the students involved in a fixture is maintained at a standard that is satisfactory for the sport being undertaken.

For ALL matches the HOME TEAM (the 1st named team on the fixture whether a match is being played at a school venue or at an alternate venue) are responsible for providing appropriate BACK UP and SUPPORT for a school's accompanying first aid staff and equipment.

The home team's responsibilities also include:

- The provision of a SAFE playing environment.
- Availability of sufficient water, ice and adequate shade and ventilation is available for both teams.
- Stretcher, ice, heat, first aid kit.
- Qualified First Aider onsite at school venues.

At BAS Carnivals and major events (Swimming, Athletics and Cross Country) the Executive Officer will arrange the provision of First Aid, with at least 2 medics in attendance. Individual schools will still be (ultimately) responsible for the welfare of their own students and ensure appropriately equipped and trained staff accompany their students.

5.7 Eligibility

- (a) Players must be currently enrolled in the school that they are representing. Only full-time pupils of the member schools shall be eligible to participate in BAS Sporting Competitions.
- (b) Where teams are graded, a player having played 50% of the team's matches in a higher grade or section, is no longer eligible to play in a lower grade or section.
- (c) In accordance with the spirit of the competition, it would be deemed most inappropriate if a school was to stack a team according to form, week to week.
- (d) Any player may only participate in one match per round per sport or competition.

- (e) There is no required number of games to play before a student is eligible to play in the Finals.
- (f) Players are permitted to move from B to A Grade (Seconds to Firsts) during finals. Players are not permitted to move from A to B Grade (Firsts to Seconds) unless both teams are participating in the Final when teams may be chosen on merit.

THERE IS NO RESTRICTION ON PARTICIPATION / MEMBERSHIP OF A TEAM PROVIDED THE STUDENT QUALIFIES IN THAT AGE GROUP.

5.8 Age Grouping

SENIOR: Senior competition will be available to all students within a school – Open.

INTERMEDIATE: Intermediate shall mean students in Year 10 and below.

JUNIOR: Junior shall mean students in Year 8 and below.

Where a competition is conducted in only Junior and Senior divisions, Junior shall be defined as Years 7, 8 and 9.

5.9 Fixturing

It is the aim of the Association to schedule, wherever possible, an even number of byes within a fixture. Draws will also, where team entries permit, be prepared on a yearly rotation system.

Rescheduling of matches must be completed with joint agreement. If a suitable rematch time cannot be found the original rostered time shall stand. If one team is unable to play the designated fixture, they will forfeit the match.

In the event of cancellation due to weather, the BAS Executive Officer will determine the allocation of points.

In the event of a wash-out of a round, teams allocated a bye would stand on four points prior to the round being declared washed-out. If any team forfeits, then the winning team would be awarded four points. If wash-out occurs, then teams receive equal points of two points each.

Schools are required to confirm their team entries by Wednesday in the first week of each term, if not before, to assist in the timely production of fixtures.

5.10 Scoring

Unless otherwise stated: -

Win	4 points
Draw	2 points
Loss	1 point
Bye	4 points
Forfeit	0 points (score as stated for specific sports)

Where an uneven number of byes occur in a competition the 2nd bye shall be treated in the same manner as a forfeit, receiving the same score and points.

Where 2 teams finish on equal points at the end of preliminary rounds the results of the matches between these teams shall be used to determine final positions. For Junior and Intermediate competitions, if the results of matches between the two teams is still equal a joint premiership shall be awarded.

When 3 or more teams finish on equal points percentage; **points / goals for** divided by **points goals against x 100**, shall be determined using the scores for and against for the matches between these teams.

When final ladder positions are required for the purpose of a playoff and teams cannot be separated by the methods stated above a playoff will determine the final ladder positions

5.11 Mercy Rule

All Coaches in BAS competition will do their utmost to ensure that all games are a fair and even contest. The suggested mechanisms needed to achieve this will be decided on and used at the discretion of the participating coaches, who on reaching agreement on the standard of the game, will then implement measures to attain the desired outcome.

Coaches can provide an even and fair competition by endeavouring to ensure that opposing players are matched evenly. Another way is to rotate players during the course of the game. At no time are players to make this process demeaning or patronising to their opposition.

The Executive Officer and Heads of Sport shall have the right to monitor all games and approach a Coach or Supervising Staff Member and remind them of their responsibility to abide by the "Mercy" Rule in the best interest, and spirit, of the competition.

The Executive Officer will monitor final scores at the end of each round and check if a problem exists. If it does, they will speak to the relevant Head of Sport and recommend appropriate action to address the problem. If the problem is not addressed the Executive Officer has the power to apply reasonable and appropriate penalties. Overall percentages are not used to determine final ladder positions, only the percentage from matches between the tied teams.

Mercy Rules shall be applied to Junior and Intermediate competition. See specific recommendations under relevant sport sections.

5.12 Late Starts

The BAS requests that where a team is late for a game, 15 minutes lee-way be given where possible in starting games. After that time, the rules of the particular sport in relation to late starts apply.

5.13 Disputes

The handling of disputes is ultimately the responsibility of BAS Heads / Principals. All disputes or claims arising out of any contravention of any Regulations governing sporting contests between BAS schools, or charges against individual players, teams or school officials, shall in the first instance be referred to the Head of Sport of the respective school who may choose to follow up the matter with the appropriate Head of Sport in conjunction of the BAS Executive Officer.

If the matter is not resolved it shall be referred to the Head / Principals of the schools concerned or, if required the BAS Inc. Chair for consideration and adjudication. Any recommendations shall be transmitted to the Chair of Heads for consideration through the Executive Officer.

5.14 Results

RESULTS for ALL BAS Sports are required to be entered into the BAS SportsDash **within 48 hours after the completion of the match.**

Both schools are required to enter OR confirm results and scores before they will be declared official. Updated results and ladders will be available on the BAS Website under SPORTS / RESULTS & FIXTURES.

CRICKET RESULTS; Go to <http://admin-cricket.resultsvault.com> to login.

ALL OTHER SPORTS; Visit <http://admin-sport.resultsvault.com> to login.

Completed scoresheets must be retained by the winning school and be available for presentation should they be requested.

5.15 Finals

In all SENIOR competitions, a Grand Final will be played between the top two teams on the ladder at the end of preliminary rounds.

In INTERMEDIATE and JUNIOR competitions, the team that finishes on top of the ladder at the end of preliminary rounds shall be awarded the premiership.

5.16 Grand Final Venue

Unless otherwise stated the Grand Final will be played at the home venue of the higher placed team, if it is deemed to be an appropriate and safe venue. The safety and appropriateness of the venue is to be determined by the Executive Officer of BAS and the Chairperson if there is any dispute.

Where a season has been conducted in its entirety at a single venue then the Grand Final will be conducted at that venue unless stated otherwise in the competition fixture or by negotiation between the participating schools.

5.17 Abandoned Games Procedures

These procedures are to apply to all grades of BAS sport, unless otherwise specified for an individual sport.

- Where an independent umpire in charge of a fixture determines that the game is no longer able to proceed due to risk to the safety of the players or inappropriate behaviour of both teams, then the game is classed as abandoned and points shall be shared between the two competing schools. In such a situation the umpire will be asked to submit a written report to the Executive Officer of BAS.
- If in the opinion of one (or both) of the school-appointed coaches the match is proceeding in a manner that is inappropriate for the safety of the students involved or the spirit of BAS competition, OR the match cannot continue due to the constraints of the venue availability, the coach will approach the opposing coach to raise the concern.

The following options are then available to the coaches:

- (i) Agreement on the issue of concern.
 - ~ Match stopped immediately. Umpire approached and informed of the concerns. Players to be made aware of the need for a change in behaviour by each coach to his individual team. Play recommenced with a review between coaches to occur at the next scheduled break.
 - ~ Stop the match immediately, with the game to be classed as an abandoned game, no points awarded to either team.
 - ~ Continue the match with a review of the issues at the next scheduled break in play.
- (ii) If there is no agreement between coaches on the issue of concern, one coach has the option of withdrawing his team from the match if he feels that there is a risk to their safety. If this occurs points will not be awarded for the match until the following procedure is applied:

Written reports including time of abandonment, score, conditions etc. submitted to the BAS Executive Officer by the coaches of each team, the umpire and staff who were witnesses at the match.

The outcome for the match would be at the discretion of the Principals of the two competing schools, taking in all the individual and specific circumstances.

5.18 Protocol for inclusion / exclusion of 'core' sports

Suggestions for a sport to achieve 'core sport' status in the BAS competition:

1. BAS will support the trial introduction of a 'new' sport, if the sport is; to be administered by an external body, including the provision of administrators, officials, playing venues and required equipment; the sport does not exceed the acceptable running costs of other BAS sports; more than 3 BAS schools enter teams in the trial season.

2. Until the sport becomes a Premiership Sport non-BAS schools can be invited to enter the competition and participate at any level once approval is attained. (There will need to be a recommended cut off point with 'invited' schools for the sport. Delegates/Sport Coordinators and finally Heads will need to endorse which non-BAS schools are invited.)
3. Three or more schools (50 to 75/%) need to have participated in the same competition for a sustained period of two consecutive seasons before it achieves 'core sport' status and is recognised as a BAS Premiership Sport.
4. Once 'core sport' status is achieved, if the number of competing BAS schools drops to 3 schools or less, for 2 consecutive years' then the sport loses its core sport status and will not be recognised as a Premiership Sport or be administered by BAS.
5. If the number of competing BAS schools drops to 3 schools or less in any division of a core sport, for 2 consecutive years' it is recommended that a different night or format be trialled the following year. If entries are still 3 schools or less, then that division will no longer run and provision will be made for other divisions to include the students no longer provided for, E.g. Junior, Senior Open.

6. ATHLETICS

All BAS Athletic Carnivals shall be conducted according to the rules of Athletics Australia: (<https://www.athletics.com.au/info-hub/rules-technical-information/>) except where the following regulations state otherwise.

1. The Annual Combined Athletic Carnival shall be held in Term 2 on a date to be decided by BAS Inc. preferably in week 3.
2. Commencing 2024 the BAS Athletics Carnival will be conducted in age groups, with students only eligible to compete in their current or, a higher year level.
3. A competitor shall compete in only one year level for any event.
4. A competitor may not compete in more than four individual events and one relay.

Competitors who fail to report in person to an event within 20 minutes of the published start time will be eliminated from that event. Students who have registered for their field event then have 40 minutes from the published start time of that event to compete.

5. An Appeals Committee made up of Heads of Sport will deal with any protest lodged by team managers in conjunction with the Chief Referee.
6. Unless otherwise stated there shall be two divisions in each event and one student from each school shall compete in each division. Results will stand and points allocated according to the division that students are entered in prior to competition.
7. Points scoring for the Aggregate Championship shall be:

	1st	2nd	3rd	4th	5th	6th	7th	8th
Division 1	16	14	12	10	8	6	4	2
Division 2	8	7	6	5	4	3	2	1
Relays	16	14	12	10	8	6	4	2

As well as Aggregate Championships (Boys Aggregate, Girls Aggregate and Co-Educational Shield), there will be championships for Senior Boys and Girls (Years 11 & 12), Intermediate Boys and Girls (Years 9 & 10) and Junior Boys and Girls (Year 7 & 8) divisions using the same points table.

8. Athletes who complete at least one attempt at a field event will receive at least one point.
9. If 32 points or fewer separate the 1st and 2nd schools, no winner will be announced on the day of the meeting, pending a recount; a winner shall be announced before mid-day on the Tuesday following the carnival.

12. PROCEDURE to be adopted should the Athletics carnival be interrupted by rain after it had commenced.

Where the weather is considered bad enough to abandon the program, the decision will be made by a majority of the BAS Inc. Heads whose schools are participating in the carnival and who can be quickly and easily be contacted. Where a decision is made to abandon the program due to poor weather conditions, it was decided that:

If a relief day is still available then the program will be stopped and then restarted at the same point on the reserve day.

If no reserve day is available and more than 50% of events have been decided then the result will be based on placings at the end of events completed at the time of abandonment of the program

If no reserve day is available and less than 50% of events have been completed then no result will be declared for the carnival for that year.

NB: Any records set in events completed, will stand as BAS records.

7. BADMINTON

7.1 Badminton – Co-Ed

All Badminton games shall be played according to the rules of the Badminton World Federation except where the following rules state otherwise. Simplified Rules:

(https://system.bwfbadminton.com/documents/folder_1_81/Regulations/Simplified-Rules/Simplified%20Rules%20of%20Badminton%20-%20Dec%202015.pdf)

(<https://corporate.bwfbadminton.com/statutes/#1513733461252-a16ae05d-1fc9>)

1. **First named school to provide shuttles and score sheet.** Games commence at 4.00pm sharp. Play is to cease at 5.30pm at all venues even if fixture is not completed.
2. Sports uniform must be worn. No school uniforms are to be worn on court.
3. Matches will be played at Ken Kay Badminton Stadium. If the competition is too large for one centre D Grade will be played at St. Patrick's College, at the same time as the A-C Grades. Competition gym shoes must be carried into the stadium.
4. Plastic shuttles should be used for "B", "C" and "D" Grades. Feather shuttles should be used for "A" Grade.
5. There will be four grades with the following restrictions:
 - 6 players per team guaranteed entries
 - D Grade - Years 7 & 8 (Mixed or single sex teams). (2 teams per school)
 - C Grade - Years 9 & 10 (Mixed or single sex teams). (2 teams per school)
 - B Grade - (3 boys and 3 girls) Open (2 teams per school) *There may be an option for a B Grade boys or girls competition entries permitting)
 - A Grade - (3 boys and 3 girls) Open (1 team per school)

In the event of a school having more teams for a particular grade than the stipulated number then they will be entered into a ballot for remaining places within that grade.

6. Points will be awarded as for all BAS Sports. See 5.11
Should games be equal at the conclusion of all matches, the school with the most points from 6 games will be declared the winner.
 - A game is played to 21 points.
 - Every time there is a serve – there is a point scored.
 - The side winning a rally adds a point to its score.
 - At 20 all, the side which gains a 2-point lead first, wins that game.
 - At 29 all, the side scoring the 30th point, wins that game.
7. Schools are required to rank their players in order of ability; 1 being the strongest player. Males (M1, M2 & M3) and Females (F1, F2 & F3) are to be ranked separately.

In accordance with the spirit of the competition, it would be deemed as most inappropriate for a school to alter these rankings weekly or throughout the competition. It is understandable that rankings may be required to change according to player availability and injury, but every effort must be made to keep rankings consistent with player ability.

8. Format of Play, for mixed competitions:

- Each round will consist of 6 games:
 1. 2 men's doubles, designated as MD1 and MD2 in order of strength.
 2. 2 women's doubles, designated as WD1 and WD2 in order of strength.
 3. 2 mixed doubles, designated as XD1 and XD2 in that order of strength.
- Where possible, the order of play should be:
 4. MD2 and WD2
 5. MD1 and WD1
 6. XD2
 7. XD1
- Each player can only play in a maximum of two games.
- Following the team's rankings, men's and women's doubles ranking of pairs will be as follows:
 8. M1/M2 or F1/F2
 9. M1/M3 or F1/F3
 10. M2/M3 or F2/F3
- Following the teams rankings, the mixed doubles ranking will be based on the sum of each individuals rankings. For example M1 and F1 pair for a minimum value of 2 making them the strongest pair. M1 and F3 pair for a value of 4 as would M2 and F2. If two pairs of equal sum are both selected to play mixed; the school may choose which order to play the pairs in; otherwise, the strongest pair (lowest sum) must play XD1.

9. If schools do not have six players for a team entered on the night, then they may still play that round, but will forfeit games accordingly:

- 1 player = forfeit 2 games
- 2 players = forfeit 2 games
- 3 players = forfeit 4 games

A team must have four eligible players for a match for premiership points to proceed.

NB: Players can only play 2 sets in one team per night.

10. Grand Final: A and B Grade ONLY - in the event of a tied result (points equal then games equal), the results of the matches between the equal teams shall be used to determine final positions.

NB: In C and D Grade competitions, the team that finishes on top of the ladder at the end of preliminary rounds shall be awarded the premiership. In the event of a tied result (points equal then games equal), the results of the matches between the equal teams shall be used to determine final positions.

11. RESULTS for ALL BAS Sports are required to be entered into SportsDash within 48 hours after the completion of the match.

Both schools are required to enter OR confirm results and scores before they will be declared official. Updated results and ladders will be available on the BAS Website under SPORTS / RESULTS & FIXTURES.

Completed scoresheets must be retained by the winning school and be available for presentation should they be requested.

7.2 BAS Singles Badminton Championship

Boys: Brehaut Family Trophy

Girls: BAS Lemonade & Trophy Shoppe Girls Singles Championships

A Senior Singles Championship will be held each year during Term 2, generally during week 6, at the Ken Kay Stadium.

Each school will be eligible to enter 4 players. Should the fixture permit and at the discretion of BAS EO, schools may request entry of additional players in this event. These players will be seeded by the senior badminton coaches in conjunction with the Badminton Association.

Each school must have its entries to the BAS Executive Officer two (2) weeks prior to the date set for the preliminary rounds.

The competition will follow a round robin format for both boys and girls.

Each school is to supply one tube of regulation feather shuttles to the event convenor at the commencement of the preliminary rounds.

Preliminary rounds will be played best of 3 to 21 point sets – No setting

Quarter Final - best of 3x21 point sets.

Should a quarter final be required, the first 2 sets will be won by the player who first scores 21 points. If a third set is required, the set shall be won by the player which first scores 21 points, except, if the score becomes 20-all, the player which gains a two-point lead first, shall win that set. In the event the score is 29-all, the first to 30 will win the match.

Semi Finals and Final - best of 3x21 point sets.

In the second innings of the match, overs shall be reduced at a rate of one over for every full 4 minutes lost, unless the first innings finished early / second innings started early in which case no overs are lost until the time that has been gained is subsequently lost.

6. Ball

A new 4 piece ball is to be used at the commencement of each innings, for First XI matches.

In Second XI matches, the ball shall be second hand and in good condition with consistent hardness. The quality of the ball is to be agreed upon prior to the match beginning, by the two coaches involved. The umpire will decide any dispute on this. New balls are not to be used.

7. The Result

Each side must have faced (or had the opportunity to face) seven overs in order to constitute a match. The Duckworth Lewis Method shall be used in interrupted matches.

In the event of a tie at the end of play:

- (a) Each team will face one extra over.
- (b) Prior to the commencement of the extra overs each team shall select 3 batsmen and 1 bowler. The names of the selected players are to be given in writing to the umpire.
- (c) The fielding restrictions for each extra over shall be the same as at the start of the 20th over.
- (d) The same match balls shall be used by each team for the extra over.
- (e) The loss of two wickets in the over ends the team's innings.
- (f) If a tie still exists at the end of the extra innings, the team with the most sixes combined from its two innings shall be the winner.
- (g) If the number of sixes hit by both teams is equal, the team that hit the most boundaries (fours and sixes) in the extra over shall be the winner.
- (h) If that result is still a tie, the process of one extra innings each shall be repeated.

8. Fielding Restrictions for each Innings

No catchers required.

Overs 1 – 5. Maximum 2 fielders outside circle.

Overs 6 – 20. Maximum 5 fielders outside circle.

9. Number of Overs per Bowler

Each bowler may bowl a maximum of four overs. In a delayed or interrupted match, no bowler may bowl more than one fifth of the total overs allowed unless such a number has been exceeded before the interruption.

10. No Ball Free Hits All no balls are worth one run and any other runs scored. The batter on strike for the next ball will receive a free hit for the next legitimate delivery. Fielders may only change position if a different batter is on strike for the free hit.

11. Bowling

(a) Short Pitched Bowling

One short-pitched ball (i.e., a ball over shoulder height of the batsmen) is allowed per over. Normal wide conditions still apply.

(b) Leg Side Wides

Second infringement will incur an official warning to the offending player/ captain.

A team's net run rate is calculated by deducting from the average runs per over scored by that team, the average runs per over scored against that team. In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Only those matches where results are achieved will count for the purpose of net

run rate calculations. Where a match is abandoned, but a result is achieved under Duckworth/Lewis, for net run rate purposes Team 1 will be accredited with Team 2's Par Score on abandonment off the same number of overs faced by Team 2. Where a match is concluded but with Duckworth/Lewis having been applied at an earlier point in the match, Team 1 will be accredited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

The repair of any damage or replacement of a lost trophy is the responsibility of the school listed as the trophy holder.

Trophies are not to be left in the care of students. The school remains responsible for any damage or loss that occurs whilst a student has a trophy.

All trophies are to be present for presentation at the next final of the relevant competition. They are expected to be presented in a clean state with all engraving up-to-date.

In the case of a trophy having no space remaining for engraving, approval for an upgrade of the trophy must occur at the next meeting of the association.

If a BAS Heads of Sport meeting determines that a trophy is completely full and it is not possible or feasible to upgrade the trophy to a satisfactory standard, then the trophy being replaced will remain at the school that has won it on the most occasions. The new trophy that is struck will indicate the location of the previous trophy for that competition.

When a trophy is full and is replaced the original trophy will remain on display at the school which won it the most during its lifespan.

27. POLICY: NAMING RIGHTS

27.1 Introduction

The Naming Rights Policy will operate to ensure that the reputation and integrity of the Ballarat Associated Schools (BAS) and its member schools are maintained and that a fair and equitable process is both perceived and recognised as being in place by stakeholders within the Association. The Principals within the Association, in line with the mission of BAS, will manage the Naming Rights Policy. All names are at the absolute discretion of BAS Inc. and can be instated or removed at any time for any reason by a majority vote of BAS Principals.

27.2 Policy

BAS will ensure that equipment, awards, prizes and other assets are named in a manner consistent with the mission, objectives, history and traditions of the Association.

27.3 Policy Guidelines – Naming in Perpetuity

Awards

- Awards should be named as a consequence of a recommendation from a Principal of a member school of BAS.
- These awards should be named to highlight outstanding service, achievement and support for:
 - i) History and operation of the Association
 - ii) Achievement within a sport actively played by BAS
- The Association will consider applications to have sporting awards named after individuals who have demonstrated a significant commitment or have achieved a high level of success. For example, the Moneghetti Award for Athletics.
- Such awards need to be made in perpetuity. This should be reflected within a Naming Rights Agreement to be developed between the parties to ensure consistency and to ensure an individual or family agrees to have an award named in their honour.

27.4 Naming Rights – Recognising Donors / Commercial Arrangements

- Where the attribution of naming rights is linked to a donation/sponsorship agreement, naming rights will only be negotiated for a set period of time (minimum five years), after which time awards may be renamed or the sponsorship renegotiated with the original benefactor.
- Names of benefactors will be recognised as part of the award – a trophy inscription, for example. Use of corporate logos will not be permitted as part of an award inscription however can be recognised on any certificate that accompanies an award or trophy.

- Naming Rights agreements are to be negotiated with organisations, families or individuals whose public image, products or services are consistent with the ethos of the Association as reflected in its Mission Statement. Should this situation change it is to be expected that Principals within the Association will review the agreement and make changes where necessary.
