- A coach may substitute land training for on-water training (taking account of weather, illness, water levels, etc.)

The intended spirit of these regulations is that boys and girls and their families should not be under pressure to arrange their summer vacation to accommodate group training for Rowing.

All camp dates and locations are to be forwarded to the Executive Officer at the end of November each year.

Except for official rowing camps, there will be no training conducted by the School, and no use by rowers of school rowing boats between 15th December and 26th January.

During all school holidays there will be no formal or organised, on or off water training to take place other than the specified Dec/Jan Camp period (as specified above).

For further clarity - formal refers to the training occurring on school property OR with a school coach".

As directed by the Rowing Co-ordinator, crews shall be able to train outside of the BAS weekly training regulations on the proviso the total amount of training completed within any four-week period does not exceed four times the maximum number of weekly sessions for that period. This will apply to on-water training only.

Coaches will conduct training with an understanding that rowing is a school sport and that the school has overriding authority in the conduct of all aspects of its rowing program.

Prior to the commencement of term 4 rowing, the Rowing Co-ordinators will meet with their coaches to explain the Code of Conduct and the rowing guidelines.

All schools will clearly display the Guidelines and Codes of Conduct in their respective boat sheds. All coaches will be given a copy of the guidelines and Code of Conduct.

- 5.2 *The Principal of the School concerned will, through the Rowing Co-ordinator, investigate the allegations and report on this investigation to the Chair of Rowing Schools and the Principal who lodged the protest.*
- 5.3 *If a breach of regulations is proven, the Principal of the School concerned will agree with the Chair of Rowing Schools on an appropriate course of action. This would then be reported to Principals of all rowing schools. (If agreement cannot be reached, a Principals' meeting would decide on a course of action.)*
- 5.4 *A decision about a course of action would take into account both the seriousness of the breach and the culpability of either the coach or the crew members or both.*
- 5.5 *In case of a first proven breach, a warning would normally be issued by the Chair of Rowing Schools. Subsequent or persistent breaches may be dealt with by dismissal of the coach, or loss of premiership points in the Head of the Lake.*
- 5.6 *Review - At the completion of a rowing season, the Rowing Co-ordinators will meet to review guidelines and other aspects of the season. A written report of the outcomes of this review, and any recommendations arising, will be forwarded to the Chair of Rowing School*
